Dinosaur & Ice Age Fossils

Dinosaur Romp - Our popular program of dinosaur games & activities. The children see and touch a bunch of dinosaur models and 10 cool fossils: 5 are actual teeth from these prehistoric creatures, and 5 are exact replicas of fossils of a dinosaur footprint, skin print, raptor egg, triceratops horn, and the biggest T-rex tooth ever found! Concludes with a dig for a toy dinosaur egg for each child, complete with 1" baby dino. Can be booked for 40-60 minutes/group with a maximum of 25 children/group.

Dino Romp Lite - for the older 2's and 3's, all the Romp and Stomp, with less than half the information! Can be booked for 15-30 minutes/group, with a maximum of 20 children in each group.

Ages 2 to 7 years	1 hour program	\$185
	additional Romps, same day	\$125/hr

Ice Age Adventure - Learn about the giant & unusual Mammals of the Ice Age! From Saber-Tooth Cats to Dire Wolves and Woolly Mammoths, see real fossils, and interact with music & puppets to explore the lives of animals and people in the Los Angeles area. The children get a machine-made stone arrowhead necklace to remember their adventure in the Ice Age. Max of 30-35 children per 40-60 min program.

Ice Age Adventure Lite - for the older 2's and 3's, lots of music and puppets, with a few fossils. Can be booked for 15-30 minutes/group, with a maximum of 20-25 children in each group.

Ages 2 to 7 years	1 hour program	\$185
	additional Adventures, same day	\$125/hr

New! Dinosaur 7s & 8s - More sophisticated than the Dino Romp—instead of romp and stomp, there are a couple of entertaining dinosaur games and some more cool fossils. The kids get to see and touch 6 extra fossils, including a real Dinosaur Bone and a T-rex Claw, and we explore how scientists use deductive reasoning to make good guesses about what they find. The program concludes with each child sifting for a genuine Shark's Tooth Fossil to take home! Up to 25 children/group. (Engaging for big kids too!)

Ages 6-9+ years	1 hour	\$215
